

2017 RED BLEND CALIFORNIA

Our winemaker's rich, red wine blend is full-bodied with juicy flavors of boysenberry and plum. It is a balanced, luscious blend that finishes smooth and soft making it a perfect accompaniment to any table.

Our family winery has hand-crafted fine wines for four generations. We harvest grapes at their peak of ripeness from our 1,850 acres and prime California vineyards creating wines to be enjoyed every day – whatever the occasion.
